

AMY WEBB

DIRECTOR, TALENT ACQUISITION AND DEVELOPMENT | Tronox

Tronox is a global producer of titanium oxide and inorganic chemicals with nearly 7,000 employees across six continents. As the director of talent acquisition and development, Amy is currently working to develop a program for high potentials and professionals as well as improve systems for recruitment, succession planning, and performance management. In prior roles, Amy has been an HR manager, organizational change leader, operations leader, and site quality control leader.

Amy has an executive MBA from the University of Alabama and a bachelor of science in chemistry from Mississippi State University. She is a Lean Six Sigma black belt and licensed Arbinger facilitator for both *Developing and Implementing an Outward Mindset* and *Outward Leadership*. She has a 22-year-old son and a 17-year-old daughter and enjoys church activities with her kids, tennis, reading, and traveling.
