

DREW MONEKE

West Salem High School Teacher, Outward Leadership Course

As an educator, Drew has had the honor and privilege of working with students in the Salem-Keizer area of Oregon for 20+ years. In Drew's current position as a Social Studies teacher at West Salem High School, he provides instruction and insight into his law and Outward Leadership courses. Outward Leadership is a course designed to help students consider their impact on others and focus on the needs of their peers, their school, and their community through service learning. In addition to working at West, Drew is also a member of the philanthropic community engagement team at Mountain West Investment Corporation. Along with his colleagues, Drew's mission is to engage the greater Salem community and help turn it outward. The team focuses on the community's needs, asking a critical question: How can we as individuals and as a community change in order to support others in need?
