

MAGGIE ELLIS

LEAD ASSOCIATION DIRECTOR | Elk Grove Education Association

Maggie Ellis is a veteran educator celebrating her 26th year of teaching in the Elk Grove Unified School District, the fifth largest school district in California, serving over 63,000 students. She has spent 20 years as an active leader representing the over 3,000 members of Elk Grove Education Association and collaborating with EGUSD management, all while still teaching elementary students.

Maggie also spent many years as Chair of the California Teachers Association Retirement Committee and Liaison to CalSTRS, the State Teachers Retirement System, advocating for secure retirement for all. Having the experiences of working with the leaders in many different agencies and positions of authority, Maggie has learned that no matter what your title is, it is the quality of the relationship that enables getting the work done.
